Dear Karl J. Dreher:

I disagree with your decision on my water rights of 0.100 CFS. My water rights should be 2 ½ CFS.

My house is part of the original home built on June 20, 1902. I have property on the original Point of Diversion for the original water rights. From the information I obtained from Anna Vreeland the owner of my home in the 1940's and Orin Bell the neighbor across the street, from my home when I filed on the Water Rights.

My water rights should remain the same as original 2 ½ CFS. I will obtain an Attorney if necessary. My water rights should be deemed to me to do with as I please. (If a neighbor needs water I should be able to do with my water rights as I please.)

Please let me know if I need to take further action.

Cordially,

Garry L. Purkey

State of Idaho
