To Whom It May Concern:

We purchased this lot in July of 1999 from a private individual. He told us that water rights were included and recorded. We believed this to be true as lot 13, the lot in question, has always been irrigated. The lots contiguous to this property have recorded water rights.

As we purchased this property from an individual with no Realtor involved, we had no recourse. We recently realized that we have no recorded rights on this property and would like to pursue the water rights at this time.

We would appreciate your consideration.

Thank you,
