Civil Case # 39576
Notice of Claim to a water right post marked Jan 23,01

I got the envelop with 4 water right claims which one was for a Mister Cox in Payette which I called on the phone today & he will picket up the papers tomorrow from me. I had sent the papers to DEQ in Oregon thinking that I had missed some thing on the Oregon Mine claim & they sent them back a week or so ago. I all so took them to Payette & they had them for some time last year too. The 4 sets of papers had no information as to what it was all about & no one new anything about them. I found a phone number of (208)327-7900 some time back talked to 2 different people & a Steve in Boise has a phone #(208)327-5450 gave me your address & tried to explain what has to be done. (I hope)

I under stand this letter is a request for late filling of claims for the Snake River Basin & permission to file them late. Steve gave me the fees amounts on check #613 inclosing. I wish I had had the instructions for these papers but they were not in the packet sets. I have found a letter with some instructions but was sent separate so did not know what they are or were for. Steve said the instructions were for this. DEQ in Oregon suggested that the 4 sets of case files may have been the legal papers describing the legal claims & to keep them for my records. This whole thing is a bit confusing to me.

Yours truly,

Dennis Stone
