Re: Your water right recommendation number: 63-5141

Dear Mr. & Mrs. Mancera:

As you are aware, Bart & Dorothy Brassey filed an objection to the priority date of your water right recommendation in the Snake River Basin Adjudication (SRBA).

After several court hearings and discussions with staff members from the Idaho Department of Water Resources (IDWR), it was agreed by all involved that the priority dates for 63-5034 & 63-5047B (recommended to the Brassey's) would be changed to January 1, 1863. Your water right recommendation has that same priority date.

At the court hearing on November 14, 2003, the attorney representing the Brassey's withdrew their objection to your water right. The special master for the SRBA court will now issue his report and recommendation. Thereafter, the judge will issue a partial decree.

If you have any questions, please do not hesitate to call me at: (208) 327-7881.

Sincerely,
