AFFIDAVIT OF GEORGE ARKOOSH

STATE OF IDAHO)
) ss.
County of Gooding)

Comes now George Arkoosh, and upon his oath and by his personal knowledge, deposes and says:

I have farmed the ground irrigated by wastewater right 37-4404(A) since 1965. Given the lay of that land, and the land above, when the same was surface irrigated, which it was until a subsequent owner of the upper ground installed a pivot, the wastewater necessarily ran from the ground above to the area irrigated by the wastewater right known as the "buck pasture."

Further your affiant sayeth naught.

1. In 1956, when I was 5 years old, I participated in irrigating the place of use of right 37-4404(A) with my great uncle at what is known as the "buck pasture."

2. The waste water gathered in the bottom of the fields immediately to the north, flowed over the ditch to the north and to the west of the "buck pasture" through two culverts, and was used to irrigate the "buck pasture."

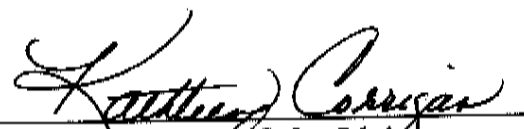

Further your affiant sayeth naught.
