The Idaho Department of Water Resources filed its *Director's Report for Irrigation and Other Uses, Reporting Area 9, Basin 29*, with the SRBA Court on July 11, 2003. This *Director's Report* included a recommendation for the above-referenced water right. On December 22, 2003, IDWR notified the Court in writing regarding clerical omissions in that recommendation, together with an *Amended Director's Report* including the elements omitted from the original *Director's Report*. The Court finds the omissions to be the result of clerical errors.

Therefore, pursuant to I.R.C.P. 60(a), the original *Director's Report* filed on July 11, 2003, for water right 29-7504 is hereby set aside and superceded by the *Amended Director's Report* filed December 22, 2003. The deadline for filing objections to the *Amended Director's Report* are due March 5, 2004. The deadline for filing response is May 7, 2004.

Notice of the filing of this *Amended Director's Report* shall appear in the forthcoming Docket Sheet for December to be filed January 7, 2003.

IT IS SO ORDERED.

DATED December 22, 2003.
