RE: Water right numbers and ownership

Thank you for the quick response to my earlier fax, sent this morning.

Our records show that in 1991 a change of ownership application was filed showing the new ownership being as follows: Leon J. Ziegler and/or Ila K. Ziegler and/or Troy R. Ziegler and/or Maurene S. Ziegler would have 91.5% of each right as the new owners and Mary D. White would retain 8.5% ownership in the following rights: A73-51, A73-53, A73-2008C, A73-55, A73-2008A, A73-2008B, A73-2087, A73-705B. I am enclosing a copy of the original Change of Ownership application (the original signed application was submitted to your office in 1991) and also a letter dated April 10, 1991 addressed to Keith Wilson that shows those splits had been taken care of, and that two other claims needed to be adjusted as well, those being A73-207 and A73-10093 (a copy of this original, unsigned, Change of Ownership application is also enclosed).

We would appreciate your review of these water rights and also would appreciate your sending us a printout of all water rights listed in the ownership of the following people: Leon J. Ziegler and/or Ila K. Ziegler and/or Troy r. Ziegler and/or Maurene S. Ziegler.

Sincerely,

Melodie L. Baker
