Re: Basin 29 Amended Director's Reports

Dear Eric:

This letter follows up on our prior conversation regarding the need to amend six director's reports in Basin 29. IDWR filed the Basin 29 Director's Report for Irrigation and Other Water Rights with the SRBA Court on July 1, 2003. Recently, IDWR discovered that the Director's Reports filed with the Court on July 1, 2003, for the water rights discussed below contained errors. Enclosed herewith are the Amended Director's Reports in underline ~~strikeout~~ so that you and the claimants can see what was changed.

Subcase Nos. 29-102 and 29-13472 need the word "noon" added to the priority date and a change in the quantity element. Subcase Nos. 29-110A, 29-110B, 29-114 and 29-1178 need the season of use remark deleted. In addition, subcase no. 29-110B needs a change to the quantity element as well.

IDWR is sending correspondence and corrected Director's Reports to the claimants as well as information in respect to an order from the SRBA Court setting objection and response periods for these water rights on this issue. Please call me if you would like to discuss this matter further. I can be reached at (208) 327-5400.
