Re: Basin 29 Amended Director's Reports

Dear Eric,

This letter addresses the issue about which you and Candice recently spoke regarding amending Director's Reports in Basin 29. In addition to the water rights listed in Candice's letter to you today, IDWR discovered that the Director's Report for water right no. 29-107A needs to be amended by adding the word "nocon" to the priority date. The Amended Director's Report is enclosed in underline/strikeout format.

IDWR is sending correspondence and a corrected Director's Report to the claimant as well as information to expect an order from the SRBA Court setting objection and response periods for the water right on this issue. If you have questions regarding this matter, please call me at the IDWR state office at (208) 327-7928.

Sincerely,

Vicki L. Maltse
