RE: Emmett Irrigation District subcases: 65-23, 65-2004, 65-2080, 65-7832, 65-10491, and 65-12194

Dear Scott:

Enclosed please find 10 Standard Forms 5, a map, and CD of the district boundary for the above-referenced subcases. We have prepared stipulations with the USDI-BOR's signature as well as without its signature. Kathleen Carr has advised me that on the four subcases with BOR objections that the US will be withdrawing them. It is uncertain as to when that will occur.

Please review the documents carefully and if they meet with your approval, sign where indicated on each Standard Form 5, initial the map, and each water right recommendation print-out.

Please return the SF 5s, map, and CD to IDWR for filing with the court. IDWR will provide copies to you when the documents are filed and served.

If you have any questions, please do not hesitate to call me at: 327-7975.

Sincerely,

/s/

Chris Bromley
Deputy Attorney General
