

STATE OF IDAHO
OFFICE OF THE ATTORNEY GENERAL
ALAN G. LANCE

December 11, 2002

Dear Claimant(s):

I am the Deputy Attorney General for the Idaho Department of Water Resources working on the SRBA in Basin 29. After reviewing your water right claim, it appears that the priority date you claimed for your water right(s) might not be correct and that October 10, 1878, might be the appropriate priority date for your claim(s). In order to recommend this priority date, which is earlier than the priority date you originally claimed, your claim(s) would need to be amended. Therefore, I have enclosed for your review and signature an amended claim form. If you would like to amend your claim(s) to reflect the earlier priority date please initial the change on the amended claim form and have your signature notarized; then, return the signed amended claim in the enclosed self-addressed envelope.

The Department intends to issue its preliminary Director's Report for your water right(s) in January, 2003. If we do not receive the signed, notarized amended claim form from you prior to January 10, 2003, the Department will recommend your water right(s) with the priority date no earlier than the priority date that you have currently claimed.

If you have any questions concerning this matter, you can contact me at (208) 327-5404 or Allen Ruberry, Senior Water Resource Agent with IDWR's Eastern Region Office at (208) 525-7161.

Very Truly Yours,
