**IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT
OF THE STATE OF IDAHO IN AND FOR THE COUNTY OF TWIN FALLS**

In Re SRBA	)	Sub-case Nos.: 51-02002 et al. (Riddle Ranches)
	)	& 51-12761, et al. (US/Shoshone-Paiute Tribes)
	)	(See Attachments A & B)
Case No. 39576	)	
	)	JOINT MOTION FOR ADDITIONAL
	)	INTERIM 90-DAY SUSPENSION OF
	)	TRIAL SCHEDULE ORDER
	)	and
	)	SIXTEENTH JOINT STATUS REPORT
	)	

The undersigned counsel for the parties in this sub-case respectfully provide this Sixteenth Joint Status Report to the Court and, further, jointly move the Court for the entry of a second interim order suspending the pre-trial settings in this matter for an additional 90 days.

The grounds for this motion are as follows:

1. The pre-trial settings in this case were suspended by order of the Special Master dated

JOINT MOTION FOR INTERIM 90-DAY
SUSPENSION OF TRIAL SCHEDULE ORDER

November 20, 2003. See Order partially Granting joint Motion for Interim 90-Day Suspension of Trial Schedule Order, (November 10, 2003). The pre-trial hearing and trial date of January 13, 2005 were not suspended, however. Furthermore, the Court ordered that the parties "shall lodge with the Court the next bi-monthly status report (Sixteenth Joint Status Report) concerning settlement progree no later than February 20, 2003."

2. The parties have exchanged draft settlement agreements, and as previously reported, counsel for all parties to this subcase met in Boise on November 3, 2003, to identify and discuss remaining settlement issues. Such a settlement would resolve the claims of the Duck Valley Reservation in the SRBA, and the objections made by the United States and the Tribes to the claims of Riddle Ranches and Pete Jackson.

3. The November meeting was followed by a conference call with representatives from the State of Nevada to identify and discuss any interstate issues that need to be resolved as part of a settlement.

4. Some of the remaining settlement issues identified by the parties required additional technical analysis to be undertaken by the Tribes. That additional technical work has been completed and the Tribes have drafted proposals to address the issues identified. That draft will be provided to all parties by February 23, 3004, or sooner. The parties then expect to meet within the next 2-3 weeks at which time the parties will attempt to resolve all remaining issues.

5. The parties previously informed the Special Master that an additional stay or suspension may be requested if sufficient progress has been made. The parties believe that sufficient progress has been made to warrant an additional 90-day suspension to complete settlement.

For the foregoing reasons, the undersigned parties respectfully request this Court to enter

an order granting an additional 90-day suspension of the pre-trial schedule in this matter.

Furthermore, in view of the immediate deadlines which are approaching, we request that the Court consider this matter on an expedited basis. We do not believe that a hearing is necessary; however, if the Court deems one to be helpful or necessary, we request that it be telephonic.

RESPECTFULLY SUBMITTED this 19th day of February, 2004.
