d. I used special spreadsheet programs such as Microsoft Excel to calculate complex reports such as excessive flows, conveyance loss, soil data and other related water measurement programs.

e. I performed complex GIS, ARC View related tasks of plotting shape files and data file management for recommendations to the Snake River Basin Adjudication court.

2. I am familiar with the above-referenced subcases. I conducted the investigation, field examinations and review of the Ringel water rights and have personally visited the subject property and surrounding area in Valley County.

3. I adopt as my testimony, and incorporate in this Affidavit, the Supplemental Director's Report regarding subcase no. 65-5033C, which was filed with the SRBA Court on or about October 1, 2003.
