Item #8 Attachment

We have used the water from April 1st to October 31st from the beginning of our water rights #29-147 dated 3-1-1893.

In August 1932, the season of use was changed to April 15th to Sept. 15th. After that time we continued to use the water for beneficial use from April 1st to April 15th and Sept 15th to Oct. 31st. In low water years those with earlier rights for the regular water year shut us off as early as June 1st. We have always used the water after Sept. 15th for beneficial use and have several notarized affidavits to this use by water users. Our water right #29-11774 dated 8-7-1932 was granted on this beneficial use.

We also have a stipulation from March Valley Hydroelectric Company allowing our use of this water if we would withdraw our Intervention to their Power Plant use; which we did.

We would be adversely affected and our livelihood would be compromised if this use was not granted.

Signed,

Walter L. Whitehead
Sec.
