Please see enclosed change of ownership. To my understanding this ownership change can not go to Kari Lynn until you update WRQ11 to show partial decree. Please update your files so this can be changed.

Thank you  
Sharla

With a supplemental report of irrigation rights submitted to the Court last month, AV records will remain static until new decrees are issued later this year. The records submitted contained season of use and a "shoulder" remark dealing with the season of use both of which were not in previous SRBA decree.
