An aerial photograph of a coastal area, possibly a wetland or marsh, with a grid overlay. The grid is composed of yellow and blue lines. The image shows various textures and colors, including red, white, and blue, which may represent different land cover types or water levels. Two white circular marks are visible at the top of the image, likely punch holes. The number 33 is prominently displayed in the center of the grid.

Property ownership is in Question Due to Divorce Litigation.

Eric was given a change of ownership form incase they need it.

Eric Directed me to the point of Origin and POB - which is at ~6 acres.

His wife was out of town - apparently she is the current Resident.

Because they are irrigating only six acres instead of the claimed 10 -
(there are structures on the other 4 acres that date to before 9/87)

Will change recommended water quantity to 12 cfs. due to decrease in acres.
