In Addition, you can now view research water rights over the Internet. The system is a graphical or text query system and can be accessed from the IDWR home page.

<http://www.idwr.state.id.us>

From that link, click on the "Water Basin Administration" toward the lower left hand of the screen. Then select "Map" or "Text" from the next page.

"TEXT" lets you view water rights via Name, Legal Source, etc.

Enter in the information you wish. Information can be entered under more than one tab. After you have completed entering your information, click on "Search".

"MAP" allows you to view water rights graphically.

Use the icons on the left side of the screen to zoom in and out. To find out what each button does, hold the cursor over the button. On the right side of the screen are different layers that can be turned on or off. As you zoom in or out, different layers will appear on the right side of the screen.

A HELP function is available within the application. You can call (208) 327-7906 or (208) 327-7906 for help.
