Findings of Fact

Brenda K. Stolworthy, 1320 N., 375 E., Shelley, Idaho, 83274, filed a *Motion to File Late Notice of Claim* on March 30, 2001, in subcase 35-13305 claiming 10.25 cfs from groundwater to irrigate 527.1 acres in Bingham County from April 1 to October 31 with a priority date September 8, 1960, based on beneficial use. On May 17, 2001, former-Presiding Judge Roger S. Burdick entered an *Order Granting Motion to File Late Notice of Claim*.

The Director of the Idaho Department of Water Resources filed his *Director's Report for Late Claims, Domestic and Stockwater and Irrigation and Other Water Rights, Reporting Areas 1, 2, 3, 5, 6, 7, 8, & 15, IDWR Basins 31, 34, 35, 36, 41, 43, 57, 61, 65* on February 18, 2003. The Director recommended that claim 35-13305 be disallowed: "Recommended as right no. 35-7493."¹

Ms. Stolworthy filed an *Objection* on March 28, 2003, objecting to name and address, priority date and the claim not being recommended as claimed. A series of hearings on the *Objection* have been held with the expected resolution that the claimant would file motions to set aside and modify *Partial Decrees* in three related water rights (35-07000B, 35-07368B and 35-07493).

¹ Water right 35-07493 was partially decreed to David Stolworthy on February 19, 2002.

On February 26, 2004, the claimant filed a *Motion for an Order to Amend Partial Decree and Confirming the Parameters of Water Right No. 35-13305*. When the claimant learned that no partial decree has been entered in subcase 35-13305, the *Motion* was withdrawn by *Notice* filed on February 27, 2004. The *Notice* also stated that the claimant would “refile an appropriate motion in the above-captioned matter on or before March 12, 2004.”

On March 30, 2004, the Special Master entered a *Draft Special Master Report and Recommendation* for the purpose of receiving suggestions from counsel for the claimant and IDWR. The *Draft* stated that if no suggestions were received by April 16, 2004, the Special Master would enter a report and recommendation that claim 35-13305 **not** be adjudicated as a water right. When no suggestions were filed, on April 19, 2004, the Special Master entered a *Special Master Report and Recommendation* recommending that late claim 35-13305 not be adjudicated as a water right.

Brenda and David Stolworthy filed a *Motion to Alter or Amend Special Master’s Report and Recommendation* on April 28, 2004. The next day, they filed a *Motion to Consolidate Subcases Numbered 35-7493, 35-13305, 35-7000B and 35-7368B*. A hearing on the *Motions* was held by telephone on May 20, 2004. Counsel for the Stolworthys and counsel for IDWR agreed with the Special Master that the subcases should be treated as a “package” rather than as formally consolidated. Counsel for IDWR also agreed that a *Standard Form 5* would soon be filed stating that claim 35-13305 should be decreed to Ms. Stolworthy for 8.65 cfs to irrigate 523 acres. The *SF-5* in subcase 35-13305 was filed on June 4, 2004.

Because use of water under 35-13305 is combined with 35-07000B, 35-07368B and 35-07493, the *Partial Decrees* in subcases 35-07000B, 35-07368B and 35-07493, all entered on February 19, 2002, must be set aside and modified to include combined use remarks.

Conclusions of Law

1. The Stolworthys have shown good cause to alter or amend the April 28, 2004 *Special Master Report and Recommendation* in subcase 35-13305;
2. The Stolworthys have also shown good cause to have the February 19, 2002 *Partial Decrees* in subcases 35-07000B, 35-07368B and 35-07493 set aside and modified to include combined use remarks; and

3. Brenda K. Stolworthy is entitled to a partial decree adjudicating a water right under late claim 35-13305 as described in the *SF-5* and the attached *Amended Special Master Recommendation for Partial Decree for Water Right 35-13305*.

Order

THEREFORE, IT IS ORDERED that the Stolworthys' *Motion to Alter or Amend Special Master's Report and Recommendation* is **granted**.

Recommendation

THEREFORE, IT IS RECOMMENDED that the *Partial Decrees* in subcases 35-07000B, 35-07368B and 35-07493 set aside and modified to include combined use remarks.
