On February 2, 2004, the Idaho Department of Water Resources filed *Notices of Completed Administrative Proceedings and Amended Director's Reports* in the above subcases. No objections were filed to the *Amended Director's Reports*. On March 11, 2004 *Special Master's Reports and Recommendations* were filed in the above subcases, recommending that water rights 65-22859 and 65-22860 be decreed. On March 24, 2004, correspondence was received by the Special Master from the Idaho Department of Water Resources stating that a clerical error had been made in the *Amended Director's Reports*. No action was taken by the Court in response to this correspondence, and the *Recommendations* were not changed. Pursuant to the *Recommendations*, *Partial Decrees* were filed by this Court on May 25, 2004 ordering water rights 65-22859 and 65-22860 decreed.

IDWR's clerical error, which involved restrictions in the quantity allowed to be used under each water right, is reflected in the *Partial Decrees*. Accordingly, it is the Court's intent to issue *Amended Partial Decrees* pursuant to IRCP 60(a) to correct these errors in accordance with the attached.

Therefore, IT IS ORDERED, that a **Hearing be set for the above subcases at 1:30 p.m. on July 20 at the Snake River Basin Adjudication Courthouse, 253 3rd Ave. North, Twin Falls, Idaho**. Any party wishing to object or comment on the Court's proposed action shall do so at that time. Attendance

at this hearing by the claimants is not required, as the Court will take the proposed actions in the absence of any objection to the contrary. Telephone participation will be available by calling 1-918-583-3445 and entering 406128 when prompted.
