To Karl J. Dreher, Director,

This is in response to a letter I just received May 21, 2004, concerning 83-7006, Snake River Basin.

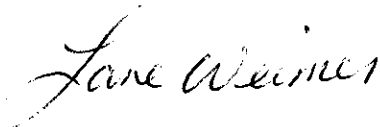

It **does not** include water permit #83-07112, copy inclosed, Power and Domestic.

It **does not** include permit # 83-04001, priority date June 1, 1948, copy enclosed.

If we have failed to have permit # 83-04001 transferred to Lane and Athena Weimer please send me the paperwork needed to transfer our name. Please Include permit # 83-04001 in the adjudication of rights to use of water from the Snake River basin water system as well as permit #83-07112.

I will be at the Orofino meeting June 15, 2004 at 7 pm.

Thank you, Lane Weimer
