Pursuant to I.C. 42-1412(2), attached to this summary please find the original notices of claims (not previously forwarded to the court) for the subcases identified herein.

Please note that there were two other objections filed to the 2004 Late Claims Report. One was to 72-16609, which was a typographical error in the explanatory material. A Standard Form 5 was filed with the court on May 10, 2004. The other was 43-2409B for which a voluntary dismissal of objection was entered on May 20, 2004. A special master's report has been issued for that subcase.
