¹ Patricia Bedke is one of the successors in interest to several water right claims in Basin 45 and 47 that are jointly held by herself, Scott Bedke, Karl U. Bedke, and Michael Poulton. A *Notice of Completed Administrative Proceeding* was issued by the Idaho Department of Water Resources (IDWR) on May 28, 2004 substituting parties and splitting the original water right claims to reflect current ownership and to separate settling parties. By way of background, Patricia Bedke's predecessor in interest had jointly filed certain objections and responses to several water right claims filed by the United States. In turn, the United States had also objected to the joint claims filed by Patricia Bedke's predecessor in interest. The United States and Patricia Bedke's predecessor in interest settled their disputes to each other's water right claims in the document entitled *Stipulation and Joint Motion for Order Approving Stipulation* filed with this Court in numerous subcases on August 29, 2002. Patricia Bedke succeeds to the interest of her predecessor in the *Stipulation* filed on August 29, 2002.

² The Stockwater Settlement was filed with the Twin Falls County Recorder's Office (Document No. 2003-01-0014) on April 21, 2003, and with the Cassia County Recorder's Office (Document No. 289179) on June 6, 2003. This stipulation will similarly be filed with both county recorder's offices.
