RE: Snake River Basin Adjudication (SRBA)
Notice of Change of Water Right Ownership
Notice of Claim to a Water Right #85-7268

Dear Claimants:

We are returning the ownership change form you submitted for your property in Clearwater County, ID. Unfortunately, the form you submitted has been obsolete since February, 1997. Our current form (enclosed) requests a plat of the property or a survey map for parcels of ten or more irrigated acres. Plat maps can be obtained from your County Assessor's office. When you obtain the plat map, please outline your property, write your water right number on it and send the map to me at this office.

The proof of conveyance we need must show signatures and dates conveyed, along with the property description. You submitted the property description, but the signature page was missing. Please see the instructions on the current form.

I would greatly appreciate knowing where you obtained the obsolete ownership change form so I can contact them and send them a supply of our current ownership change forms. By giving you an obsolete ownership change form, they have caused you extra work and delayed the process.

Please call me toll-free at 1/800-451-4129 if you have any questions.

Sincerely,

Sally Sherman
