INSTRUCTIONS

This form is used to file a late Notice of Claim or an amendment to a Notice of Claim in a reporting area where the Director's Report has been filed. Forms may be obtained from the SRBA Court, the Idaho Department of Water Resources (IDWR), or you may copy or reproduce this blank form. If you copy or reproduce this form, please copy on both sides with the even-number pages upside down.

The water right number for your late or amended claim must be indicated above in the blank space following "Subcase." You must use a **separate form for each** late or amended Notice of Claim.

MOTION TO FILE A LATE NOTICE OF CLAIM

A Motion to File a Late Notice of Claim will require a hearing before the Presiding Judge.

☒ I did not file a Notice of claim to the use of water in the SRBA because:

We recently purchased Idaho property, inquired of the Seller about water rights and discovered Seller had not filed for water rights when they purchased the property. We are now requesting water rights as we are the present owners.

☐ I filed a Notice of Claim and elected to defer judicial proceedings on my domestic or stock watering use. I desire to reinstate my Notice of Claim for domestic or stock watering use.

☐ I am providing legal and factual documentation for my claimed use of water. You must describe these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)

I am enclosing copy of our deed to the property, copy of Notice of Change of Water Rights Ownership previously filed by me, copy of letter from Dept. of Water Resources dated 5/10/04, Copy of Dept. of Water Resources letter to our Sellers, Charlie and Beverly Ford dated 3/15/02

I have attached:

☐ A fully completed Notice of Claim (available from IDWR).

☒ A claim filing fee for a domestic and stock watering use. IDWR may charge this fee pursuant to I.C. § 42-1414. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$ 25.00.

☐ A claim filing fee and a late claim fee for those claims other than a domestic or stock watering use for which a notice of claim was not filed. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$ _____.

Follow these instructions regarding the hearing on this motion.

1. Contact the Clerk of the SRBA Court (208-736-3011) to request a hearing date and time.
2. Fill in the following information:

A *Motion to File an Amended Notice of Claim* may require a hearing before the Presiding Judge or Special Master or may be granted by leave of the court or by written consent of the parties and the Idaho Department of Water Resources. Leave to amend a claim shall be freely given when justice so requires.

☐ I must amend my Notice of Claim to the use of water in the SRBA because:

- ☐ I am providing legal and factual documentation to support my amended Notice of Claim. You must describe these documents and attach a readable copy.

I have attached:

- ☐ An amended Notice of Claim (available from IDWR).

Re: Notice of Claim to a Water Right No. 03-10179

Dear Claimant(s):

Enclosed is a copy of the above referenced claim(s), which reflect the change in ownership of the land and appurtenant water rights, covered under the original filing.

Please note that the enclosed Notice of Claim to a Water Right is not a final determination of your water right. This claim was filed during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

In addition, the ownership change for water right number 65-4255 is still being processed, and a copy will be mailed upon completion.

Thank you for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed claim, please feel free to contact this office.

Sincerely,

Re: Original Notice of Claim to a Water Right No. 03-2033

Renumbered Notice of Claim to a Water Right No. 03-10179

Dear Claimants:

We have received and processed a Change of Ownership for a portion of the original Claim to a Water Right Number as referenced above. This Change of Ownership required a split of the original claim resulting in renumbering this claim, using a new water right number to represent each split. The new Notice of Claim to a Water Right number for your portion is referenced above and a copy is enclosed.

Your portion of this claim has a specified point of diversion, nature of use and place of use. If you plan on changing the nature of use, place of use, or point of diversion under this right, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. Please contact this office for further information on the Application for Transfer form. If you do not plan on changing any items on your claim, then no further action is required at this time. You will be notified of any future action taken on this claim. Also enclosed is a copy of the original claim for your reference.

In addition, you had also listed water right number 65-4255 on this ownership change form. This claim was not filed in the SRBA; therefore no changes can be made at this time. If you wish to file on this claim, you will need to file with the SRBA Court in Twin Falls. I have enclosed the appropriate forms for completion.

Please feel free to contact this office if you have any questions concerning your claim or this letter.
