Re: Show Cause for water right for Pond.

Dear Mr. Wilkins:

It has been reported that you have built a pond on your property and that you are diverting water from Ann Griffel's private ditch to fill and maintain the water level in the pond. It is our understanding that you have water rights 23-48B and 23-98B, both of which are for irrigation but are not for storage. In order for the pond to be filled, you must have a water right for this purpose. For your convenience, I have included a map/layout of the lands in question.

We request you to show cause on or before January 30, 2004 why a notice of violation of the laws of the State of Idaho should not be issued to you seeking civil penalties and a cessation of diversion activities.

I look forward to your response. You may call me at (208) 525-7161 if you wish to discuss the matter.

Sincerely,

W. Roger Warner
Water Rights Supervisor – Eastern Region
