RE: PALISADE IRRIGATION COMPANY
NOTICE OF CLAIM A23-00104

Dear Teresa:

An in-office review of the Notices of Claim filed on behalf of the Palisade Irrigation Company identified a item on Notice A23-00104 that may require further clarification.

The place of use description in Item #10 contains a remark about use of water in section 6 through 34, but it 1/4 1/4's for the serviced land is not provided. For this Notice to reflect the place of use referenced in the remark, the land must be described by 1/4 1/4. Unless the place of use for this Notice is amended it will show only 520 acres in section 16.

To assist with compiling a list of serviced land enclosed are profile reports of the company's Notices and a blank Notice of Claim form.

Feel free to call me should you have questions concerning this matter.

Respectfully submitted,

Ernest Carlsen
Water Rights Supervisor, Adjudications

SUBJECT

Payment by Palisades Canal Co

I received claims A23-10283/00054/10282/10281/00050/10280/
A23-02015/10279/00106/02021 / A01-00035 on the 30 of
January 1998. The claims were not paid for at that time because
Palisades water users had assessed some people covered by those
claims but had not yet filed. After Palisades filed I looked
at a comparison report and determined the fee for Palisades
Irrigation Co. They then assessed their ~~new~~ users & paid today
