) For Water Right: 65-22283, 65-22284
)

Partial Decrees were issued for the above subcases on June 30, 2004 in accordance with a *Special Master's Report and Recommendation*. On June 30, 2004, the Court received correspondence from the Idaho Department of Water Resources, stating that the *Recommendation* incorrectly listed the above water rights as tributary to the Payette River. The correspondence stated the rights should be tributary to the North Fork Payette River.

The *Amended Director's Reports* for the above subcases were filed on October 31, 2000. The *Amended Director's Reports* list the water rights as tributary to the Payette River. However, it appears that the listing of the Payette River rather than the North Fork of the Payette River was a clerical error. Accordingly, it is the Court's intent to issue *Amended Partial Decrees* pursuant to IRCP 60(a) to correct these errors in accordance with the attached.

Therefore, IT IS ORDERED, that a **Hearing be set** for the above subcase at **1:30 p.m. on September 21, 2004 at the Snake River Basin Adjudication Courthouse, 253 Avenue North., Twin Falls, Idaho**. Any party wishing to object or comment on the Court's proposed action shall do so at that time. Attendance at this hearing by the claimants is not required, as the Court will take the proposed actions in the absence of any objection to the contrary. Telephone participation will be available by calling 1-918-583-3445 and entering 406128 when prompted.
