1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

2. Describe the changes you wish to make in the proposed recommendation:

- ① Remove Philip R Goodell and Doris N. Goodell
② There is a field of approximately $1\frac{1}{2}$ to 2 acres in the far south-east corner that irrigates from a different diversion. It comes

3. Give a brief explanation as to why you disagree with these portions:

- ① Doris N. Goodell died Aug 24, 2007. The ranch was needed to me in 5% increments, starting in 1982. The final deed was made in 2007. Philip Goodell no longer owns. (continue below)

② out of the L-7 diversion. Instead of L-6. We have irrigated that field out of L-7 for my entire lifetime. There is no way to irrigate it out of L-6 without pumping. It is contained in the red area on the aerial photo map. It would not change my irrigated acreage.
