NOTICE OF ERROR
REPLY

Please type or print clearly, fill out this form completely and mail.

Return this reply form to IDWR by the deadline date printed below if you want IDWR to change your recommendation or you want to let IDWR know that you agree with its recommendation.

YOUR DEADLINE FOR RETURNING A NOTICE OF ERROR REPLY IS: May 21, 2004

Water right number: 74-651

DEE M KEIRNES
523 MAIN ST
SALMON ID 83467

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

2. Describe the changes you wish to make in the proposed recommendation:

Change the regulations

3. Give a brief explanation as to why you disagree with these portions:

It isn't feasible the way its written.

☐ I AGREE with this proposed recommendation: no changes need to be made.

DATE: _____ SIGNATURE: _____

Please print your name: _____

IDWR State Office, 1301 N Orchard St, Boise, ID 83706, 208-327-7925

1. If you have a small place and are restricted to a maximum at any one time there is no way you could irrigate your place. The water would sink into the ground before it got to the end of the ditch.

The total amount used over a period of time is probably fine. You will however need enough to fill your ditch one day out of ten.

You could get more than .32 cfs. out of a garden hose.

Lee W. Lerner
