Re: Evidence of Priority Date

Dear Water Resources Department

Enclosed are affidavits to support the referenced water right priority dates and historic use of water.

The affidavits are from Blaine White, and Marvin Hutchings, both former owners of the property. Historically, the property referenced was part of a larger ranch.

Thank you,

Affidavit of: Blaine White

Purpose:

This affidavit is to provide evidence of Priority Date and Beneficial use for water right.

Water Right Number: 75-14148.

Priority Date: 12/24/1894

Present Owner: Adam Deutchman and Ella Deutchman

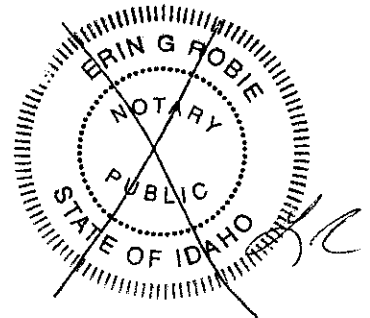

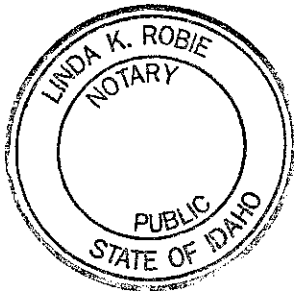

The parcel of land associated with this water right was formerly a part of a larger ranch that I owned from 1964 through 1968.

I personally irrigated portions of the land listed as place of use in this water right, along with the rest of the ranch, with water diverted by a ditch from Twelve Mile Creek. At that time, the ditch had cottonwood trees growing on the banks consistent in size to support a 1894 date of original use.
