Re: Evidence of Priority Date

Dear Water Resources Department

Enclosed are affidavits to support the referenced water right priority dates and historic use of water.

These are from Blaine White, a former owner of the property. At the time of his ownership, both referenced pieces of property were a part of the same ranch but watered from different ditches with different priority dates.

A handwritten signature in cursive script that reads "Richard H. Ellis".

Affidavit of: Blaine White

Purpose:

This affidavit is to provide evidence of Priority Date and Beneficial use for water right.

Water Right Number: 75-4506B.

Priority Date: 12/24/1894

Present Owner: Richard H Ellis and Carol J Ellis

The parcel of land associated with this water right was formerly a part of a larger ranch that I owned from 1964 through 1968.

I personally irrigated portions of the land listed as place of use in this water right, along with the rest of the ranch, with water diverted by a ditch from Twelve Mile Creek. At that time, the ditch had cottonwood trees growing on the banks consistent in size to support a 1894 date of original use.
