RE: Snake River Basin Adjudication (SRBA)
Claim Nos. 75-4375, 75-4376, 75-10151, 75-13982

Dear Mr. Monteverdi,

Thank you for inquiring about your water right claims during our telephone conversation this morning. I have investigated the change-of-ownership form submitted by you in October 2000 and I hope the following information is helpful.

Claim 75-4375 does not appear to be appurtenant to the land you purchased from the Nortons and has therefore not been put in your name. I have enclosed a copy of this claim. If you can provide evidence you own the land claimed we would be glad to proceed with a change of ownership.

Claim 75-4376 was apparently not put in your name at the time the original analysis was done. I've corrected our records and included a copy of this claim for your files.

As we discussed, water right 75-10151 has been decreed by the SRBA Court. This water right for a domestic well is currently in your name.

Claim 75-13982 represents your portion of an original claim numbered 75-4193. (Claim 75-14001, currently in the name of the Nortons, represents a different portion of that original claim). I have enclosed both a copy of your claim, and copies of correspondence sent from our office concerning the claim.

Please let me know if you have additional questions. I can be reached at (208) 327-7925.

Sincerely,

Roxanne Brown
Sr. Water Resource Agent
