RE: Notice of Water Right Claim

Dear Mr. Moore:

The Idaho Department of Water Resources (IDWR) is currently reviewing Notices of Claim to a Water Right submitted for the Snake River Basin Adjudication. The initial review has uncovered some discrepancies between the Teton-Newdale Cemetery Notice of Claim and the existing Water Right License. Please compare the copy of your Notice of Claim, received 8/26/1988, with the Water Right License.

Enclosed is a typed Notice of Claim with the licensed information. If you wish to change the information previously claimed on 8/26/1988, to the licensed information, please sign, notarize, and return the typed Notice of Claim to the IDWR. Make any necessary changes directly to the typed notice.

If the information previously claimed was correct, in order to accurately update the IDWR records, please submit an explanation of any changes that have occurred to the licensed information highlighted in yellow. For example, "the well was moved from the SW 1/4 SE 1/4 to the SE 1/4 SE 1/4 of Section 6 in June, 1979."

If you have any questions, please give me a call at 1-525-7161.

Sincerely,

Tony Olenichak
