Dear Mr. Ruberry:

RE: Evidence of water right claim 22-4067

I have been asked by Arlene Nickell to verify for your records the existence of a well and pump for 2 homes and use of water for stock at property owned by Mrs. Nickell at 256 North State Highway 33 near Driggs, Idaho. This property is located in Section 14, Township 5 North, Range 45 EBM.

This well has been in existence since I was a young child and I affirm it has been in existence since September 1, 1930 and has been used for home use, as well as, for watering stock since that time.

Sincerely,

Jacqueline Baker. 7-20-04
