Re: Evidence of Priority for SRBA Water Right Claim 21-4009

Dear Ernest,

The purpose of this letter is to establish the priority date of June 1, 1956 from Falls River for water right claim 21-4009. Lloyd and Fred Griffel installed the pumping system on that date to irrigate a farm they operated together. Lloyd later purchased Fred's share in 1998.

The original system consisted of a pump powered by a diesel engine. In 1965, Lloyd and Fred changed the system to one powered by electricity.

Since 1956, the pumping system on Falls River has supplied irrigation water to ground farmed by Lloyd and Fred Griffel.

Sincerely,

Lloyd Griffel

Re: Falls River Pump

Dear Ernest,

I am sending this letter to verify that the irrigation pump on Falls River was installed during the spring of 1956 by Lloyd and Fred Griffel. I was present on several occasions and witnessed the installation process.

Sincerely, *Earl Griffel*
