Re: The Salisbury Corporation – Claims to Water Rights

Dear Folks:

Please take notice that C. Timothy Hopkins and the above firm represent The Salisbury Corporation as general counsel. At the time water rights claims were filed in the Snake River Basin Adjudication on behalf of the corporation, it was represented by John St. Clair, Esq. For your information Mr. St. Clair no longer serves as counsel for the corporation and, as I have indicated, the firm of Hopkins Roden Crockett Hansen & Hoopes and I now represent the corporation as general counsel.

For the foregoing reasons I hereby request that all future communications with respect to water rights claims that may have been filed by The Salisbury Corporation be directed to me at the above address. Thank you for your cooperation in this matter.

Very truly yours,

C. Timothy Hopkins
