Re: Claim 21-10662

Dear Sir:

Thank you for talking with me today and clarifying the action I need to take regarding this claim.

Apparently the claim was originally filed for commercial use of the water from one well and a small spring. This was an error which I trust this letter will correct. The well water is used for domestic purposes only by the members of the Flat Rock Club, Inc. and the staff members. The spring water is not used for any purpose.

The Flat Rock Club is incorporated in the State of Utah as a 501 (c) 7 corporation for the sole use of members and their guests. We are not open to the general public and engage in no commercial operations, e.g. no goods or services are sold or offered for sale.

Please change you files to show that I, not Elmer Wilson, am the contact person. The address you have on file is correct.

If this information is not adequate for your purposes, please contact me at your earliest convenience.

Sincerely,

Jerry Crabs, Manager
