Dear Sir:

On September 16, 1999, the Idaho Department of Water Resources (IDWR) received an NCO changing the right holder for a portion of the above referenced water right(s). Based on this NCO, IDWR water right records for the Snake River Basin Adjudication (SRBA) have been updated with new water right numbers reflecting the division of the water right(s).

Furthermore, as directed by the SRBA Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of the water right(s) as recorded in the SRBA.

Please feel free to contact me if you have any questions concerning this matter.

Respectfully,

Jennifer Crabtree
Technical Records Specialist
