On November 7, 2003 this court received unsigned correspondence from Douglas M. Fransen indicating there may be some problem with water rights previously decreed by the SRBA court. The correspondence does not identify any water right numbers. However, the SRBA clerk's office docketed the correspondence in the eight subcases listed above since these subcase numbers were referred to on a map attached to the correspondence. The court requests that Douglas M. Fransen provide additional information regarding his correspondence.

- 1) Is Mr. Fransen intending to ask the court to set aside partial decrees in the SRBA?
- 2) What water right numbers does Mr. Fransen wish to refer to?
- 3) If Mr. Fransen seeks a change in the legal description of the place of use for any identified water rights, please indicate exactly what the change should be.

If the changes that are sought by Mr. Fransen involve water rights claimed by the Montevieu Canal Company, that entity should attend the hearing to discuss the motion and the water rights involved.

Please be advised that Special Master Brigitte Bilyeu has set the following hearing in the above subcases as follows:
