Re: Error Correction for Basin 33 Irrigation and Other Claims

Dear Mr. Carlsen,

Enclosed please find the error correction forms that have been completed by the Forest Service. Water right number 33-07149 does require a correction. All of the other water right claims enclosed appear to be correct.

In response to a fax you sent to Linda Moore on October 26, 1999 regarding water right numbers 33-07085, 33-10931, 33-10976, and 33-10978: we do request that those claims be included in the Director's Report as described. Those claims were included in the error correction forms you sent to us so we assume that they will be reported.

If you have any questions please give Steve Spencer or myself a call at 208-387-0835.

Sincerely,

Jamie Gough
