Re: Glenn Seaberg

Dear Ms. Brown:

We were recently contacted by Mr. Glenn Seaberg of Salmon, Idaho. We visited at some length with Mr. Seaberg and reviewed numerous maps and documents. It appears the SRBA claim number under which his claim is presently being processed is 74-14981, although there appear to be older records which might relate to the same claim under other numbers, such as 74-447 and/or some portion of 74-321.

As we understand it, the preliminary recommendation was recently issued and Mr. Seaberg filed a Notice of Error Reply. We are writing to you because Mr. Seaberg appears to understand you are the most recent department representative with whom he has had contact regarding this matter.

We assume that there would normally be an opportunity for a conference or a discussion regarding the Notice of Error Reply before the final recommendation is issued. If so, Mr. Seaberg hopes we might participate in that effort. Because of expense, he also wonders if it would be possible to hold that meeting here in Idaho Falls.

In any event, we will appreciate hearing from you on this matter when it is convenient. Thank you for your kind attention and assistance.

Yours very truly,

Kent W. Foster
