

- recommend 90 AFA storage - according to Lewis

Gps008 - pic #6  
009 7

10 - 8th goes around on side

11 - lower Pond & ditch of hill

12 - lower Division - old Dam

13 - " " - other side

Call this winter for ~~Area~~ Date of  
Priority

Say that they have traditionally irrigated  
more acres than they claimed.

- What they irrigate is water  
dependant - sometimes there just isn't  
the water.

Looking for an earlier priority date  
for 25-4407
