RECEIVED
AUG 06 2004
DEPARTMENT OF
WATER RESOURCES

To The Court of The Fifth Judicial District of
The State of Idaho, In And For The County of Twin
Falls, Attn: Special Master Brigitte Bilyeu, I
Respectfully Request A Motion To File A Late
Objection.

After receiving the IDWR recommendation of
my water right, I filed an objection as I felt
it was recommended in error. In trying to resolve
this matter, I was advised by Mr. Ernest Carlsen
of IDWR on July 27, 2004 that I also needed to
file a late objection to another parties water right.
I am therefore submitting that late objection.

Thankyou !

Kenneth Andrus

To whom it may concern:

I was born in Chesterfield, Idaho; on the ranch that was latter sold to Jim, Kenneth, and Colleen Andrus, in 1989. I bought this property from my father in 1978.

This letter is about my knowledge of the 1868 decree on Toponce Creek – the old decree #'s are #66 for 1.764 c.f.s. and #65 for 1.38 c.f.s.

In 1969 we started using sprinkler irrigation on part of this land with higher elevation and flooded the lower land. Then every year as the creek dropped and junior rights were cut we continued to use the 1868 water to the best beneficial use. Through out this long drought, even the "1868" decrees have been cut to a percentage of use. It is my belief that this water of "3.14 c.f.s.", was transferred to my father, by Water Resources, was transferred to myself, by Water Resources, was then transferred to Andrus', by Water Resources, and should remain there on Andrus property.
