WITNESSETH, That Whereas, George E. Shoup and Susie E. Shoup, husband and wife, and George L. Shoup and Nellie Shoup, husband and wife, are indebted to the Federal Land Bank of Spokane, Washington, in the respective sums of \$27,500.00, and \$7,500.00, as evidenced by notes given for said respective sums of money and secured by mortgages upon the lands herein described, and other lands additional thereto; which said notes and mortgages are dated July 2, 1934, and are recorded in the office of the County Recorder of Lemhi County, Idaho, in Book "O" of Real Estate Mortgages at pages 95, 96 and 97, and pages 98, 99 and 100, respectively; and

WHEREAS, The payment of said notes are based upon an amortization plan, the first of which provides for final payment nineteen and one-half years after its date, and the second in the sum of \$7,500.00 provides for the last payment on July 1, 1947; and

WHEREAS, The said parties of the first part are desirous of selling said real property hereinafter described, and said party of the second part is desirous of purchasing the same, in trust, for the use and benefit of other persons, and to enter into a contract therefor, under the terms of which said party of the second part will, among other things, assume and pay said mortgage indebtedness held by the Federal Land Bank of Spokane, and will hold said parties of the first part free and harmless therefrom. Said ditch shall be placed at a reasonable grade to insure a continuous flow of not less than two thousand inches at the points of intended delivery for use for irrigation and domestic purposes; and shall be constructed at the sole and exclusive expense of said party of the second part, in his trust capacity, and as a part of the consideration for the purchase of said lands.

THIS AGREEMENT, Made and entered into this 20th day of July, in the year of our Lord one thousand nine hundred and thirty-six, between George E. Shoup, of Salmon, County of Lemhi, State of Idaho, the party of the first part, and George Hodges, in his capacity as trustee of the RAINBOW FARMS ASSOCIATION, an association of Lemhi County, State of Idaho, the party of the second part;

WITNESSETH, That whereas, the said Rainbow Farms Association, at a meeting duly held by the members thereof, agreed to make a re-organization of said association and to change that certain agreement made and entered into between George E. Shoup and Susie E. Shoup, parties of the first part, and J. F. Corbett, in his capacity as trustee of said association, which agreement is dated April 1, 1935, to better meet the wishes and intentions of all parties thereto; and

WHEREAS, At said meeting George Hodges was duly selected and elected to act as trustee of said Rainbow Farms Association in lieu of J. F. Corbett, whose name appears as trustee of said association in said agreement; and

WHEREAS, The said George E. Shoup and Susie E. Shoup are willing to enter into an agreement supplemental to said agreement dated April 1, 1935, and in addition thereto;

NOW, THEREFORE, In consideration of the premises IT IS HEREBY MUTUALLY AGREED By and between the respective parties that said contract or agreement made and entered into by and between George E. Shoup and Susie E. Shoup, parties of the first part, and J. F. Corbett, in his capacity as trustee of said association, which agreement is dated April 1, 1935, is hereby changed and modified and added to in the following particulars, viz:

1. That the time for the construction of the main ditch in said contract described is hereby extended so that by August 15, 1936, said ditch shall be constructed in manner as required in said original contract to a point where the ditch intersects Williams Creek, from which point the Lower Williams Creek ditch shall be cleaned and repaired and used to the full extent of its carrying capacity for the purpose of conducting water to and upon the bar land north of Williams Creek for irrigation during the balance of the season of 1936; and said water shall be delivered upon said bar land in seasonable time to irrigate and to enable a maintenance of all crops growing thereon; provided, that upon the construction of said ditch to Williams Creek, as herein provided, and sufficiently early to irrigate said bar land and the maintenance of crops thereon growing, then an extension of time shall be given to said trustee within which to make other required construction for the full completion of said main ditch, as provided in said original contract during the year 1937. The ditch, when completed, as provided in said original contract, shall contain the placement of all necessary spillways and such other additions or improvements required in a ditch carrying water for the purposes herein and in said original contract intended.

2. Said trustee shall be required to secure, at his expense, a right of way through the Mendenhall ranch property for the placement and construction of said ditch and shall provide, at his expense, a weir or weirs, not exceeding two, with which to control the delivery of one hundred inches of water and such additional amounts as may be agreed upon between said trustee and said Mendenhall, or his successor in interest. All weirs shall be made from plans made or approved by the County Surveyor, which plans shall provide for the least obstruction of the natural flow of water through the ditch.

3. The trustee is hereby required to make a full report by the 31st day of December of each year of the individual and total production of crops grown and raised upon said premises and of the disposal by sale or otherwise; of all expenditures made for the purchase of material for permanent improvements and the amount expended for hired labor; a copy of such report, together with such additional items as may be added or included by the trustee, shall be delivered to George E. Shoup upon the date above stated.

4. Beginning with the year 1940, and when the production or accumulated earnings from said ranch property shall produce a net income over all necessary expenses of operation, said trustee agrees to apply and pay fifty per cent of such net income in payment of the indebtedness of said party of the first part to the Federal Land Bank, which indebtedness is secured by a mortgage upon the real property herein described and referred to.

5. It is agreed that George E. Shoup, party of the first part, shall have the right at any time to make any advanced payments toward the satisfaction of the mortgage, and debt thereby secured, upon the property herein referred to, but such payment shall not release said trustee, and his beneficiaries, from any liability or obligations assumed by them, and each of them, under the terms of the agreement made and entered into between George E. Shoup, party of the first part, and the trustee or trustees herein named; and interest and instalments shall continue upon all indebtedness assumed by the said trustee, and his predecessor in interest, as in said original contract provided until said obligation shall be paid in full.

6. All necessary surveys of said lands, or any part thereof, shall be made under the supervision of the County Surveyor, or other qualified engineer, when such surveys may be necessary to insure a proper construction of said ditch in said original contract described, which service the said trustee agrees to pay.

7. That said trustee shall be required to survey all parts of land herein described which he may desire to sell or otherwise dispose of subject to this agreement, and to designate all corners thereof by substantial monuments. Such survey shall be in harmony with the survey of all the land herein described as made under the supervision of the United States and shall conform thereto. All surveys shall be made at the expense of said trustee; and said survey as accepted and approved by George E. Shoup and said trustee shall be final and shall control the boundaries of all land so surveyed.
