As the owner of water right numbers 37-4407, 37-4167 and 37-4166 I do not have very much personal knowledge of the history of these rights. The persons that I purchased the properties from have passed on. I do recall a Mr. Charlie Luther telling me that cattle and sheep on the open range used this water prior to 1904. I do have copies of extensive litigation between Luther's Savage over this water. It is probably imaterial now since I own both properties. This letter is probably not much help but feel free to call me at (208) 934-9474 if I can be of any help.

Thank you
