RE: Notice of Claim

Honorable Mayor:

In October 1988 three notices of claim were filed in the Snake River Basin Adjudication (SRBA) on behalf of Sugar City. Accompanying the notices was a check for \$335.00.

Review of these notices revealed the filing fee was insufficient and two of the notices could be combined, eliminating the need to pay the fee for a third notice. One notice is appropriate if the priority date for both wells is June 1, 1939 and they pump into a common system. The breakdown of the filing fee is indicated on the enclosed copy of receipt E002575.

We have taken the liberty to prepare an amended notice to replace the two notices with 1939 priority dates. Copies of the latter are attached to the amended notice. Should you agree the amended notice is sufficient to describe the use, please complete the organizational signature block, have the form notarized and return it with a check for \$200.00.

Should you elect to file three notices of claim simply submit a check for \$250.00 and discard the amended notice.

Thank you for your prompt attention to this matter. Please contact me if you have any questions.

Respectfully submitted,

Ernest Carlsen
Water Rights Supervisor, Adjudications

Gentlemen:

Our records show you have filed your adjudication claim(s) in the Snake River Basin Adjudication. Our records do not, however, include a clear map of your service area. Would it be possible for us to get a map of your customer service area for your municipal water system, both to supplement the record of your claim(s) and for use as described below?

In our review and investigation phase of the Snake River Basin Adjudication, the map would be helpful for us to have this information in verifying individual claims to water rights for domestic purposes. We will be happy to discuss with you the most convenient way for you to provide this information to us. I can be reached at 327-7931 or you may contact my assistant, Anita Warntjes at 327-7986.

Your assistance in this matter is greatly appreciated.

Sincerely,

DAVID B. SHAW
