SUBJECT

Math errors resulted in incorrect totals for the Total Number of Acres Irrigated on these two claims. The number of acres per 40 acre tract are ~~what~~ "correct" in terms of what is actually being claimed.

Also, there are more acres not covered by the Canyon Creek Canal Co. than originally thought. Steveco paid for 1330 acres, and should have paid for 1451 acres. I think Steveco over paid their Carter Fritschle portion of the Canyon Creek Canal Co. acreage. Good luck figuring this all out.
