RE: Amended Notice of Claim A22-00137

Dear Mr. Harris:

I am returning the Amended Notice of Claim to Water Right A22-00137 submitted by your office along with a copy of the Amended Notice already on file with the Department.

It appears the intent of the Amended Notice is to change the source of water from North Leigh Creek to Unnamed Springs. When springs are identified as the source of water, the Rules and Regulations require identification of the points of diversion by 10-acre tract (1/41/41/4) in Item 4. The Amended Notice lists only 40-acre tracts (1/41/4). To process the proposed change, please identify the 10 acres where each spring is located.

A copy of the Amended Notice, already processed, is being provided for your records. It may be a coincidence, but I thought it was peculiar that the location of the points of diversion on the new Amended Notice match the first two 1/41/4's, reading left to right for each point of diversion listed under Item 4 on the processed Amended Notice.

Naturally, if you have any questions, feel free to contact this office.

Respectfully submitted,

Ernest Carlsen
Adjudication Supervisor
