August 19, 1991

Dear Dennis:

On June 26 we stopoped by your office and filed an amendment to our Water Claim A 22-00418 A and filed another claim A 22-12871. Additional documentation was required for both claims, and is here enclosed.

Claim A 22-00418 A concerns water rights originally decreed to George F. Moulton. The original decree listed the section as 29, which was a mistake. The section should have been 25. You requested that we furnish documentation that George F. Moulton acquired property in Sec. 25 but not in Sec. 29. The enclosed records are the earliest real estate transactions recorded in Teton County, and show that G.F. Moulton indeed acquired the property in Sec. 25 from the U.S. Government in 1902, whereas nobody acquired equivalent property in Sec. 29.

Claim A 22-12871 concerns a decree issuing from a plaint by Wanless against Lynn Crandall. A copy of this decree is enclosed, as per your request.

We enjoyed talking with you in your office. Perhaps you may recall that we are the geologists with property on Fox Creek, near Victor. Please say hello to Sandra for us. We are enclosing a few items that she might find useful in her teaching. They are all aimed at the general public rather than the specialist. We will be at our Idaho property for the next two weeks, excepting an as-yet not determined interval of about five days when we will be hiking in the Wind River Mtns. Should you be in the area, please give us a call and stop by. The number, (208) 787-2898, is that of the lady who lives downstairs from us. She can call us or relay the message.

We hope you are having an excellent summer. Best regards,

Ivo and Baerbel Lucchitta

Plaintiffs
v.
Lynn Crandall, Watermaster,
District 36 Idaho.
Defendant.

DECREE

County of Teton

I HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of the original therof, on file in my office.
Dated June 28 1991

Asa J. Drake
Ex-Officio Auditor & Recorder
Clerk of the District Court
Donnie Rice
County Clerk

THIS CAUSE came on regularly to be heard in open Court at Driggs, Idaho, before the Honorable Henry S. Martin, District Judge of the Ninth Judicial District of Idaho, in and for the county of Fremont, S. H. Atchley of Driggs, Idaho, appearing as counsel for the plaintiffs, and it appearing to the satisfaction of the court that the defendant was served with a copy of the summons and a copy of the complaint in this action, and that he failed to appear and plead to said complaint, and that the default of said defendant was duly entered herein September 21, 1949; and,

It further appearing that an order was made on the 4th day of August, 1949, directing the publication of a notice, once a week for not less than 3 weeks successively, in the Teton Valley News, a newspaper published weekly at Driggs, Idaho, in Teton county, and in the Teton Peak Chronicle, a newspaper published weekly at St. Anthony, Fremont county, Idaho, containing the title of the Court and cause, the name of the stream or in the waters of which plaintiffs claim an interest, the date of priority claimed by them, as is required, and the date and short title of the decree of this Court heretofore entered, fixing the permanent rights in and to the waters of Snake River and its tributaries; that the said notice was published in accordance with said order and the proof of publication has been filed herein; that no person or persons have appeared to defend against said action;

The plaintiffs introduced documentary and oral proof in support of their said complaint and the Court, after hearing the evidence and examining the proofs adduced, finds as follows:

File to claim

That the plaintiffs are residents of Teton county, Idaho, and are entitled to the quantity of water diverted by them; that the plaintiffs are the owners of, and the land irrigated by them is situate in Teton county, Idaho, and is described:

Northwest Quarter of Southeast Quarter and Northeast Quarter of Southwest Quarter, section 26 Twp. 4 N. Range 45 E.B.M.

That said land is arid in character and requires artificial application of water by irrigation to produce agricultural crops; that the plaintiffs and their predecessors-in-interest, ever since the 15th day of May, 1896, have diverted 80 miner's inches of the waters of Fox Creek, through the Wanlass Canal; that the diversion works of plaintiffs are located approximately one mile west of the Idaho-Wyoming State Line north-east of Victor, Teton county, Idaho; that ever since said May 15, 1896, the plaintiffs and their predecessors-in-interest have applied said quantity of water, during the irrigation seasons, to beneficial use in the irrigation of crops grown upon the aforementioned lands; that said water right was not adjudicated in that certain decree known as the "Rexburg or Snake River Decree."

From the findings above the Court concludes that the plaintiffs are entitled to, and, IT IS HEREBY ORDERED, ADJUDGED AND DECREED, That the plaintiffs for the irrigation of the hereinbefore described land, are awarded the use of 80 miner's inches of water, with a priority date of May 15, 1896, of the waters of Fox Creek, hereinbefore described.

It is further ordered, adjudged and decreed, that the rights awarded and decreed in that certain decree commonly known as the "Rexburg or Snake River Decree," made and entered in this Court December 16, 1910, both as to dates of priority and the amounts of the rights awarded, are binding upon the plaintiffs in this action.

Done in open Court at Driggs, Idaho, September 21, 1949.
