15-4090

All these places were all old Home Steads early in the 1900s. I was born in 1919 and I remember the Levi Barge home and the apple trees they would water.

They had two canyons to draw water from. They would raise hay for their stock. They had a spring in each canyon & dams. They would water hay garden & orchard out of these dams.

I purchased it from my brother about 1943.
